Fried Bologna Sandwich \$6

Fried bologna piled up on Texas toast, Mayonnaise, Tomato, Lettuce.

The Famous Broadway Fried Bologna Sandwich is a treasured discovery from our owners pilgrimage to Nashville—where our bar draws a lot of its inspiration. As the story goes—they stumbled into a boot store around 1am and were regaled with the most wonderful creation east of the Mississippi. It only comes out at night for weary party-goers so make sure to stay late for this one of a kind sandwich. \$6 gets you a sandwich and a bag of Lay's potato chips.

EVERY NIGHT 10PM-LATE

REDNECK Mimosas
